AMERICAN UNIVERSITY
SCHOOL *of* INTERNATIONAL SERVICE

Undergraduate Advising

Dear Students:

I am excited to present to you the Fall 2012 Course Specialization List. This comprehensive list of courses is designed to assist you in planning your spring course registration. I hope that you will find it useful!

The list is catagorized by Policy Specialization and Regional Specialization. For example, those pursuing a Regional Specialization in Africa will find several courses from across AU listed in one place, including offerings in SIS, Literature, Economics, and Government.

The SIS faculty and the Undergraduate Advising Office have carefully reviewed the Schedule of Classes in assembling this list, but by no means do we consider it to be exclusive. If there are courses that you would like to take for your major that aren't listed here, speak with your advisor and he or she will be happy to explore the possibilities with you. We may update the list periodically-the most up-to-date list will always be available on the Undergrad Advising website (http://www.american.edu/sis/undergradadvising).

Remember to check the Schedule of Classes (http://www.american.edu/provost/registrar/schedule/index.cfm) for current registration information and for information regarding prerequisites. Contact your academic advisor if you have any questions.

Best wishes for the rest of the spring semester and for a terrific and productive summer,

Jim Gilbert
Director of Academic Advising, SIS

SIS Course Specialization List
FALL 2012

GLOBAL ENVIRONMENTAL POLITICS

Course	Title
SIS 337	International Development
SIS 338.001	Environment and Development
SIS 388	International Environmental Politics
SIS 419.004	Environment, Conflict and Peace
