FEDERAL HALL: COMMON BUILDING DAMAGE CHARGES

February 1-28, 2011

In accordance with section 9.F of the Housing Agreement, the following is a listing of floor and/or hall charges assessed to date. If you have any information, which may help hall staff to ascertain the responsible individual(s), so that they may be directly held responsible, financially or otherwise, please contact your RA or RD as soon as possible. If no such information is received within 7 days of the date of this posting, the charges will stand with no further options for appeal, and they will be posted to the individual student accounts of the members of the floor and/or hall at the end of the semester.
