I plan to earn (mark one): _____ University Honors in _____ (major)
 _____ General University Honors

Please attach a typed document containing the following:

- 1) Proposal for the Honors Senior Capstone Project (description of the project). Students graduating with University Honors in SIS must refer to the SIS Capstone guidelines which can be found on the Honors website under *Honors Requirements/Honors Requirements in Different Majors*. In the event that this is a supplement to a 300- or above level class, please indicate what % of the overall class grade the capstone will represent.
- 2) Work Plan and Work Submission Deadlines (description of the contents and requirements of Honors Senior Capstone Project and dates by which various components of the project will be due to the capstone advisor).

Approved:

 Capstone Advisor Date

 Department Honors Coordinator Date

 University Honors Program Director, Professor Michael Mass Date
