American University’s new intensive English Language Program features student-centered, interactive classes for non-native English speakers.

The program emphasizes academic English skills, with four levels of instruction from beginner to advanced. Students attend class for a total of 20 hours per week and also participate in site visits around Washington, D.C. Classes are held on the American University campus and taught by instructors with a minimum of a master’s degree.

Get the tools you need to take the next step in your professional or personal path to success.
