SKILL OF THE MONTH: QUANTITATIVE/APPLIED TECHNOLOGY

The ability to quickly learn new technologies is critical to career development. Often a specific applied skill can make a difference in whether or not you get that first job. How can you build your tech savvy? Check out american.edu/careercenter/skills.cfm to get started! AU also provides free access to Lynda.com, an online learning platform for business and technology. Go to the myAU portal and look under Technology for "Lynda Web-Based Training."
