PUBLIC ANTHROPOLOGY CONFERENCE

SHIFTING CLIMATES

DIALOGUES OF THE URGENT AND EMERGENT

Oct. 3-4 2015
9-6 Sat. 9-4:30 Sun
Mary Graydon Center

Featuring Keynote Speakers
Denis Provencher  ♦  Judith Goode  ♦  Laurie Krieger

Discussion panels featuring responses to the global concerns of climate change, economic development, armed conflict, international human rights abuses, racial injustice, medical emergencies, and sexual and gender inequalities. We will explore our roles as practitioners, teachers, students, and interested members of the public within these shifting climates and discover how we can produce and support positive social, environmental, economic, and political change.
