Events Over the Past 5 Years

Fall 2013 Workshop: Information, Instability and Fragility in Networks: Methods and Applications
(November 13, 2013; University of Colorado, Boulder, CO)

Spring 2013 Workshop: Philosophy of Information
(April 26, 2013; American University, Washington, DC)

Fall 2012 Workshop: Info-Metrics and Nonparametric Inference
(November 17, 2012; University of California—Riverside; Riverside, CA)

Spring 2012 Conference: Information and Econometrics of Networks
(March 30-31, 2012; American University, Washington, DC)

Fall 2011 Workshop: Information Theory and Shrinkage Estimation
(November 12, 2011; American University, Washington, DC)

Fall 2011 Workshop: Philosophy of Information
(October 3, 2011; American University, Washington, DC)

Spring 2011 Workshop: Info-Metrics Across the Sciences
(May 2, 2011; American University, Washington, DC)

Fall 2010 Conference: Info-Metrics: Theory and Applications in the Social Sciences
(September 24–25, 2010; American University, Washington, DC)

Spring 2010 Workshop: Info-Metrics in the Natural Sciences and Its Implications for the Social Sciences
(April 27, 2010; American University, Washington, DC)

Fall 2009 Workshop: Information Theoretic Estimation and Data Analysis: State of the Science and New Directions
(November 20, 2009; American University, Washington, DC)
