APA Documentation Style: References List

- The sources used in the paper are listed at the end of the paper as “References.”
- Alphabetize entries by authors’ last names or, if there’s no author given, by title. The titles of books are italicized; titles of articles are neither italicized nor put in quotation marks.
- The date of publication appears immediately after the first element of the citation.

Book by a single author:

Edited book:

Journal article:

Article in a reference book:

Web site:

NOTE: The date in parentheses is the date of last update or copyright (if available).

Journal article from full-text database:
