

# SAFETY ADVISORY

The AU Department of Public Safety is closely monitoring events at universities around the country, that involve threats or implied threats directed toward specific groups or individuals. We are in contact with university administrators as well as local and federal authorities in order to ensure we are taking the appropriate precautions to keep our community safe. We encourage students, faculty, and staff to report suspicious persons and/or suspicious activity on campus, or concerning social media posts.

For imminent threats to safety or security, call 202-885-3636 (x3636), activate a nearby Blue Phone, or use your Rave Guardian App. Please forward concerning social media posts to [DPS@American.Edu](mailto:DPS@American.Edu).

If you are **on-campus** and have an **emergency**, call **202-885-3636** immediately.

If you are **off-campus** and have an **emergency**, call **911** immediately.
