YOUR CAREER + TAX EXPERTISE = HIGHER RETURNS

IT ALL STARTS WITH KOGOD'S MASTER OF SCIENCE IN TAXATION FROM AMERICAN UNIVERSITY
American University's Kogod School of Business Master of Science in Taxation (MST) Program develops technical competencies across the full range of federal and state taxation, and imparts an in-depth expertise that allows our graduates to have profitable careers at leading organizations. Many alumni work at the Big Four firms, AOL, Lockheed Martin, Northrop Grumman, and Marriott, among others. Kogod's location in the nation's capital exposes MST students to leaders at the center of debate on tax policy, reform, and administration, and to a wealth of internship and employment opportunities. During their tenure at Kogod, students will have the opportunity to visit the U.S. Tax Court, U.S. Treasury, and the Senate Finance Committee, among other entities.

The Kogod Center for Career Development (KCCD) is committed to helping all students reach their career goals. Through the KCCD, students receive one-on-one coaching, group instruction, and access to customized industry and networking events, and on-campus recruiting.
