

## ACADEMIC SUPPORT AND ACCESS CENTER

### MISSION

The Academic Support and Access Center (ASAC) supports the academic development and educational goals of all American University students and is committed to providing access for individuals with disabilities within the university's diverse community.

### ACADEMIC SUPPORT SERVICES FOR ALL STUDENTS

- ❖ Academic counseling
- ❖ Workshops in time management, reading and note taking strategies, study skills and writing
- ❖ Peer tutor referrals
- ❖ Writing Lab
- ❖ Supplemental Instruction (group tutoring in traditionally difficult courses)
- ❖ Dedicated staff for student-athletes, international students, and students with disabilities

### SERVICES FOR INDIVIDUALS WITH DISABILITIES

- ❖ Individualized academic counseling related to disabilities
- ❖ Review of documentation
- ❖ Assistance with requests for disability-related accommodations
- ❖ Alternate test location
- ❖ Assistive Technology
- ❖ Assistance for staff and faculty with disabilities after Human Resources consultation
- ❖ Consultation and training to promote an inclusive and accessible campus environment
- ❖ Learning Services Program for Freshmen with Learning Disabilities

### SERVICES FOR FACULTY

- ❖ Assistance providing disability-related accommodations, including alternate test location
- ❖ Consultation regarding student disability issues
- ❖ Professional development around inclusion, accessibility, and universal design
- ❖ Resources available online at [www.american.edu/asac](http://www.american.edu/asac), including syllabus statement
