Add-on Credit Connecting Course and Community Issues

The Community Service-Learning Program (CSLP) add-on credit option allows students to earn an additional (pass-fail) credit when they engage in a community or nonprofit project that is linked to the subject matter of this course. The CSLP entails the completion of an online registration form (www.bit.ly/CSLPs13s), 40 hours of service throughout the course of the semester at one nonprofit or school site, participation in three on campus reflection sessions, and the completion of a course related assignment as determined by the professor.

For more information about AU’s service-learning option, stop by the Center for Community Engagement & Service, MGC 264 or contact Meg Rego, Program Coordinator for Community-Based Learning (rego@american.edu). The deadline to register for CSLP is Monday, January 26th at 5pm.
