PREFACE

The Office of Institutional Research is pleased to present the 2003-2004 edition of the *Academic Data Reference Book* (ADRB). The current addition joins the 33 previous issues to form a continuum of information about the academic aspects of American University. The goal of this publication is to provide the community with reliable and useful information about enrollment, faculty, and related academic topics.

We are using a three-ring binder so that spring 2004 and academic year data (2003-2004) can be added to the ADRB later this spring. The ADRB is available via the web at: <http://www.american.edu/academic.depts/provost/oir/>.

The Office of Institutional Research and Assessment extends its thanks to those individuals and offices that contributed suggestions, information, and other assistance in the preparation of the 2003-2004 *Academic Data Reference Book*. Please feel free to contact Karen Froslid Jones at (202) 885-6155 if you have any suggestions, comments or questions regarding this publication.

DEFINITIONS

Attendance Status	Indicates whether a student is attending full-time or part-time.
Entry Status	Is the status of a student upon entering the university—either freshman, transfer, or graduate student.
FT	Full-time: Full-time enrollment is based on the number of credit hours a student takes, as follows—undergraduates and law students, 12 credit hours; graduate and nondegree students, 9 credit hours.
FTE	Full-time Equivalent: the full-time equivalence of part-time students is derived by dividing the average load of all full-time students into the total student credit hours of part-time students at the same degree objective level.
MM	Maintaining Matriculation: the enrollment status of graduate students not registered for courses, or thesis/dissertation credits.
Non degree	Non degree students are those enrolled in regular university courses who have not been admitted to a degree program.
On-Campus	Indicates whether a course is held on the university campus or elsewhere; also, student status.
Recentered SAT Scores	In April 1995, the College Board recentered SAT1 verbal and Math tests at 500, the midpoint of the 200-800 scale.
SCH	Student Credit Hours equal the sum of the credit hours per student course registration.

Excludes Washington Semester, non degree and non-AU study abroad students.

In spring 2002, Information Systems was moved from CAS to KOGOD and Physics, Audio Tech were merged with Computer Science in CAS.

** Students in combined programs are reported in the school in which they appear in Eagedata. See both schools to calculate major totals. Prior to 2001, dual degree students are listed in CAS.

Enrollment as of Census Date - September 27, 2003.

* In Spring 2002, Information Systems was moved from CAS to Kogod and Physics & Audio Technology were merged with Computer Science in CAS.

** Students in combined programs are reported in the school in which they appear in Eagledata.

See both schools to calculate major totals.

Non degree is not broken out by undergraduate and graduate. See Table 1 for these breakouts.

AAUP faculty includes all instructional faculty. Instructional faculty is defined as all members of the instructional/research staff who are employed full-time and whose major (at least 50%) regular assignment is instruction (including released time for research) - regardless of whether they are formally designated "faculty". Excluded are administrative officers with faculty rank, faculty on leave without pay, faculty on disability, research faculty, library faculty, and faculty not paid by the university.

The AAUP rating scale from highest to lowest is as follows: 1, 1, 2, 3, 4, 5. Current year not available.*
