

Internships at Sookmyung

■ Description of Sookmyung International Summer School

Sookmyung International Summer School provides a thriving environment where Sookmyung and other international students can have the culturally dynamic and global experience in the Nation's Capital City Seoul, Korea. The renowned international scholars from SMU's international partner schools introduce the culturally diverse and challenging courses to its students. The participants also have a great opportunity to gain the cultural heritage of Korean history through the various lectures and field trips which take them to the palaces, museums, traditional and commercial markets in the city.
