

Graduate Students

Since you are a graduate student attending American University, you qualify for great savings on student loans when you borrow through the American University Stafford Loan Program.

Federal Stafford Loans

For Subsidized and Unsubsidized Stafford Loans, American University offers you the following savings:

No Loan Fees

The standard 2.00% origination and 1.00% guarantee fees are waived. This means you will receive 100% of the money you borrow.

2.00% Interest Rate Reduction

Borrowers who make their first 48 consecutive monthly payments on-time will automatically receive a 2.00% interest rate reduction for the remaining term of their loan.

0.25% Rate Reduction for Automatic Payments

Have the payments for your loan automatically withdrawn from your bank account to get a 0.25% interest rate reduction.

Complete Your Master Promissory Note

To complete your Master Promissory Note (MPN) go to:
www.studentloan.com/schools/american

Call Citibank, the loan servicer, at (800) 967-2400 for details and conditions regarding eligibility for the benefits outlined above. If you default on your loan and it is purchased by the guarantor, any interest rate reductions will no longer be applicable.

For more information on the application process, contact the Financial Aid Office at (202) 885-6100
