

7. Advanced Policy Analysis

Students who wish to work as program evaluators or policy analysts may want to concentrate in advanced policy analysis. Essentially, this specialization encourages students to take more than the single course in applied policy analysis required of all MPP students. Faculty advising is provided by Professors Alison Jackowitz and Laura Langbein.

Suggested Courses/Recent Offerings:

- PUAD 604 Public Program Evaluation (3) *(PUAD 602)
or
