

Urban Transformation: Neighborhood Change and Development in Washington, D.C.

7th & S Streets NW, summer 2006

7th & S Streets NW, summer 2017

There is a critical need to keep discourse and the resulting insights of gentrification current so as to raise awareness about inequitable development and historical changes taking place in Washington, D.C., and how these changes include, exclude, benefit and or disadvantage the extant community of residents as well as new entrants.
