## EDUCATION

---

<b>PhD, Information Science</b> University of North Carolina at Chapel Hill Dissertation: "Adapting to Higher Education in a New Culture: International Students' Perspectives on Research, Writing, and Academic Integrity"	2016
<b>MLIS, Library and Information Studies</b> University of North Carolina at Greensboro	2008
<b>BS, Science, Technology &amp; Culture</b> Georgia Institute of Technology	2003

## TEACHING

---

<b>INSC 350: Information Consumer (online)</b> University of Tennessee, Knoxville Adjunct Instructor	Fall 2017
<b>LIS 665: Information Literacy (online)</b> University of North Carolina at Greensboro Adjunct Instructor	Spring 2017
<b>INLS 758: International and Cross Cultural Perspectives for Information Management</b> University of North Carolina at Chapel Hill Teaching Practicum	Fall 2014
<b>LALT 101: Information Literacy</b> American University in Cairo Librarian/Instructor	2008 - 2011

## PROFESSIONAL EXPERIENCE

---

<b>Business Librarian</b> American University, Bender Library Research, Teaching & Learning (RTL)	2016 - Present
---	----------------

- Provide high-level research support to Kogod School of Business faculty and students, and others on campus with business research needs, using a variety of information technology tools and online information sources
- Provide general research support to the AU community at the Research Assistance Desk, including in-person, phone, and chat reference services
- Teach subject-specific library instruction sessions for Kogod students
- Partner with College Writing Program faculty to teach information literacy sessions
- Serve on the Collections Management Team, selecting print and digital materials to support Kogod student and faculty research
- Develop and maintain online tools to support student learning and research
- Serve on the library's open access funding committee, developing policies and guidelines for this project

# Amanda B. Click, MLIS & PhD

## Doctoral Fellow/Project Manager

2011 – 2016

University of North Carolina at Chapel Hill  
School of Information & Library Science (SILS)

- Served as project manager for SILS executive education initiative
  - Collaborated with SILS faculty and government agency employees to develop two-week data management training session, consisting of ten modules
  - Led the assessment of the modules, including collecting and analyzing feedback via surveys and focus groups
- Developed content on research methods for the Global Training Resources for Information Professionals (GTRIP), a repository of modular and interactive content meant to support ongoing training and staff development of librarians and information professionals in environments with limited resources all over the world
- Led a project to edit a volume, *Library and Information Science in the Middle East and North Africa*, published in 2016 as part of the IFLA/De Gruyter Global Studies in Libraries and Information series
- Organized and moderated the Library Leadership Symposium (March 2014), which brought together senior leaders in the field to share their expertise and experience during a panel discussion, and provided a networking opportunity for SILS students and other library professionals
- Collaborated with Libraries Thriving to develop the Global Information Issues webinar series (2012-2013), which included five sessions attended by more than 700 participants from all over the world, and covered topics from international librarianship to digitization to information literacy assessment
- Planned and moderated the Global Library Leadership workshop (May 2013), a two day workshop that took place in Cairo, Egypt and was attended by over 40 library and information science professionals from all over the Middle East and North Africa

## Instruction and Reference Librarian

2008 – 2011

The American University in Cairo (AUC), Main Library  
Research & Information Services

- Served as Coordinator of Instruction and Acting Head of Instruction
  - Managed eight librarian instructors and coordinated with external offices, in order to administer fifteen sections of LALT 101, the required information literacy course
  - Developed learning outcomes, curriculum content and active learning activities
  - Taught two sections of LALT 101, covering topics such as database searching, assessment of online information, and accessing news sources
  - Chaired the Information Literacy Task Force, a committee that assessed the course to ensure that students were receiving information literacy training in the most effective manner possible
  - Trained and supported new and current instruction and reference librarians
- Taught library instruction sessions for a variety of subjects and audiences, including both graduate and undergraduate level courses, faculty, staff and external users
  - Implemented changes to improve the way that information literacy training was provided to students by developing online research guides, and teaching training-the-trainer style workshops for faculty
- Served as library liaison to the Accounting and Management Departments in the School of Business, partnering with department faculty for collection development and information literacy instruction purposes

# Amanda B. Click, MLIS & PhD

- Led an international research project sponsored by the American International Consortium of Academic Libraries (AMICAL), using ethnographic methods to study how students conduct research for academic assignments and use the library and campus spaces for learning
- Provided reference assistance both on an appointment basis and at the Library Help Desk
