Dr. Ken Conca - Professor of Global Environmental Politics

Dr. Ken Conca’s research and teaching focus on global environmental governance, environmental peacebuilding in war-torn societies, environmental politics and policy in the United Nations system, and international water policy. He is the author/editor of several books on international environmental politics, including *Governing Water*, *Confronting Consumption*, *Environmental Peacemaking*, and the widely used teaching anthology *Green Planet Blues*. Dr. Conca is a two-time recipient of the International Studies Association’s Harold and Margaret Sprout Award for best book on international environmental affairs. He is a member of the United Nations Environment Programme’s Expert Advisory Group on Environment, Conflict and Peacebuilding and associate editor of the journal *Global Environmental Politics*.
