

THE WASHINGTON SEMESTER PROGRAM

On-Campus Housing

Please submit an AU Housing Application and Agreement on-line **no later than November 13, 2009** if you want on-campus housing. All room types are first-come, first-serve, based on availability. You must also return your Registration Authorization form and pay the \$200 program deposit **no later than December 1, 2009** to reserve your space in the program for the fall 2009 Semester.

Housing choices for Washington Semester students are as follows:

TENLEY CAMPUS HOUSING:

- Single room with bath \$ 6,321.00
- Single room w/o bath \$ 5,412.00
- Double Room \$ 4,315.00
- Triple room \$ 3,153.00

If you would like to request special housing accommodations because of a disability, you must complete the **Request for Special Housing Accommodation** form which can be accessed electronically by visiting the Disability Support Services (DSS) Web site at www.american.edu/disabilitysupport under the *Student Life* tab. **All requests must be initiated through Disability Support Services and not through Housing & Dining Programs.** You are responsible for submitting the required form and your medical provider must complete the necessary documentation. You may fax or mail the documents to DSS at:

Disability Support Services
4400 Massachusetts Avenue, NW
Mary Graydon Center 206
Washington, DC 20016-8148
202-885-3315 (phone)
202-885-1160 (fax)

DSS may consult with other university offices as necessary in the handling of your request. If your request is related to a learning disability or ADHD, the request will be forwarded for consultation to the Academic Support Center. Because of numerous sites on campus that provide reduced-distraction study space, single rooms are generally not provided for students who have learning or attention disorders.

If you are from a member school, please urge your faculty representative to sign your registration form as soon as possible to avoid delays in reserving your spot in the residence halls. *ALL* students (member and non-member) should note that regardless of the date you return your housing materials, you cannot be guaranteed housing until we receive your completed registration authorization. Room type preferences (single, double, or triple) cannot be guaranteed. Your bill will reflect the applicable charge for the room type to which you are assigned.

IMPORTANT: If you reserve a room and later decide to live off-campus, or withdraw from the Program altogether, you must provide written confirmation of your decision before **November 25, 2009**. After this date, you will be billed 25% of the housing charge (approximately \$900.00).
