# SAT/ACT or Test Optional for AU?

## It depends!

- The SAT/ACT is required of all applicants, including int'l students, who are graduating high school inside the U.S. **unless** the student chooses to go **“Test Optional”** for standardized testing.
- **“Test Optional”** does **not** refer to proof of English proficiency.
- F-1 & J-1 students **must** still prove English proficiency through TOEFL, IELTS, PTE, DET, etc.
- **“Test Optional”** does **not** put students at a disadvantage for admissions' consideration when other components are strong.

## When to consider “Test Optional” for your international student?

- Less than 4 years in an all-English curriculum
- Very recent transition to English-language curriculum
- Completed several ESL classes at a U.S. high school
- TOEFL, IELTS, PTE, DET, etc results are at the low end of AU's minimum requirements.

## Advanced Credit for AP, IB, A level & Other Exams

- American University is committed to ensuring that AP, A-level, and IB students receive the appropriate AU credit they have earned as outlined in the AP, A-level, IB charts for Academic Years 20-21, 21-22., & 22-23
