

BAKER SCHOOL *of* EDUCATION
AMERICAN UNIVERSITY • WASHINGTON, DC

COMPLETE YOUR MASTER'S FASTER WITH A **BA+MAT OR MEd**

**Save money and time
by choosing classes
that count toward both
degrees.**

Before you complete your bachelor's degree, start your master's with the **BA + MA combined program**. This allows you to enroll in courses that fulfill both undergraduate and graduate degree requirements. Save time by completing your master's degree in as little as one year. On average, this saves \$18,000 on the cost of a master's degree at American University, and allows you to **earn a higher salary** more quickly after graduation.

Less Time to
complete your MAT/MEd

Save **\$18,000**
on average

Obtain a
**Competative
Edge** in the job
market
