OFFICE OF MERIT AWARDS

SERVICES FOR GRADUATE STUDENTS

Our experienced advisors are eager to help you identify appropriate opportunities and compete for national merit- based scholarship and fellowship opportunities. These awards offer students and alumni the means to accomplish a variety of goals, including studying abroad, funding graduate education, and gaining research or high- level work experience.

Merit awards exist primarily to provide opportunities for academic enrichment, as opposed to tuition relief. Graduate students should keep in mind that many scholarships are intended for use after graduation, and that eligibility may be restricted to those with U.S. citizenship.

MEET WITH AN ADVISOR

STEP 1: The first step in setting up a meeting with one of our advisors is to identify the specific award for which you are interested in applying. **Starting Your Search:** We recommend utilizing the resources above as a starting point in your search. We also encourage you to reach out to mentors and faculty/staff in your program of study to help determine a scholarship/ fellowship program that best fits your goals and interests. Though OMA does not offer general advising appointments, we host a series of **drop-in hours** and **information sessions** throughout the academic year.

STEP 2: When you are ready to work with an advisor on a specific award application, please email meritawards@american.edu to schedule an appointment with one of our fellowship advisors. It is important to contact us well ahead of your application deadline, as many fellowships require at least a 3-month commitment to put together a competitive application.
