

**American University Neighborhood Partnership  
Facilities Planning Working Group Summary**

February 24, 2020

Key Discussion Points:

- Opportunity Sites Discussion

Summary: The February Facilities Planning began with a reintroduction of the guiding principles which have dictated AU's potential opportunity site development. There was an extended discussion about the student residential opportunity sites identified by AU. Neighbor Working Group members gave feedback on the potential community impacts that could result from AU's proposed building sites. The group next looked at proposed changes to the Center for Athletic Performance (CAP) and took questions before looking ahead to the next meeting date in March.
