# THE ALAN AND AMY MELTZER CENTER FOR ATHLETIC PERFORMANCE (MELTZER CENTER) AND SPORTS CENTER ANNEX (SCAN) – GEO IMAGING

# GEO-IMAGING

# MELTZER CENTER/ SCAN PROJECT – GEO-IMAGING

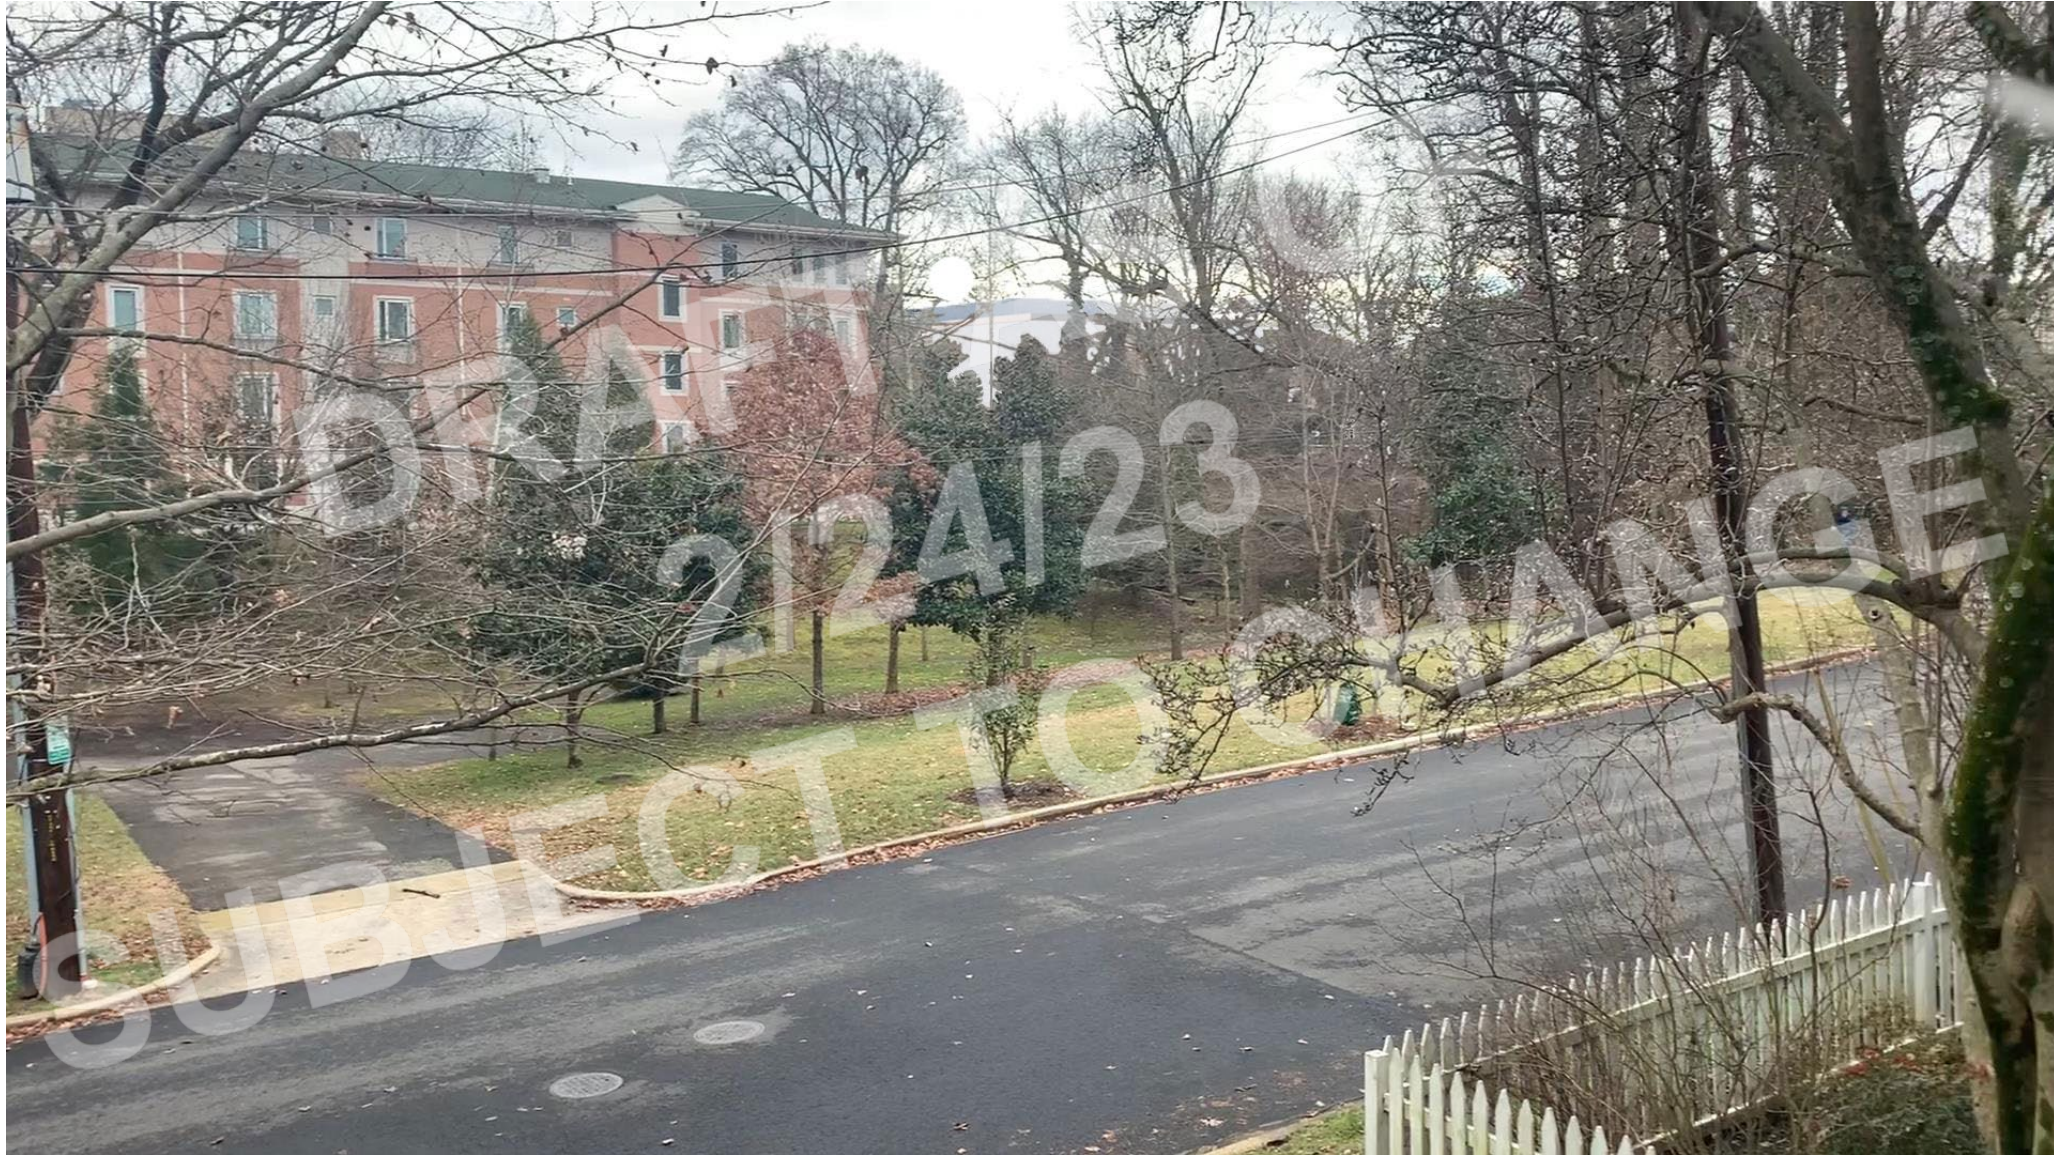

- 3D laser scanning combined with existing conditions imagery.
- Ground level and “second-floor” vantage points.
- (12) vantage points looking towards the building and (5) vantage points looking from the building.
- Provides critical information for understanding visual impact and informs related mitigation strategies.
