

American University Neighborhood Partnership Steering Committee Meeting Summary

June 1, 2020

Key Discussion Points:

- Welcomes and Introductions
- Discussion on Updated Framework
- Feedback from Working Groups
- Neighborhood Leader Remarks
- Open Comments
- Future Timeline

Summary: The June Steering Committee meeting began with AU highlighting their most recent changes to the Campus Plan Framework which included updated enrollment figures and a new section touching on COVID-19. Next, Co-chairs from the Facilities Planning, Student Life and Safety, and Transportation and Parking Working Group provided progress reports on the work their groups had completed. AU took in more feedback from the neighborhood leaders before wrapping up by looking ahead at the timeline for drafting and presenting the 2021 Campus Plan before ANC's and the Zoning Commission.
