

American University Neighborhood Partnership Steering Committee Meeting Summary

July 23, 2020

Key Discussion Points:

- Welcomes and Introductions
- Campus Plan Conditions Discussion
- Campus Plan Timeline
- AU and COVID-19

Summary: After a brief check-in and introductions, the July Steering Committee meeting began with AU and the neighborhood leaders discussing AU's draft Campus Plan Conditions and the neighbor's responses and suggested edits to the document. Topics the group covered during these conversations included the language around AU's use of Master Leases off-campus, enhanced off-campus student orientation, and East Campus conditions. The Steering Committee next looked at key dates for the campus planning process going into the Fall of 2020. The meeting wrapped up with a discussion over AU's Fall Semester plan's regarding COVID-19 training procedures and testing as it relates to both on and off-campus students and the wider neighborhood community.
