

## **American University Neighborhood Partnership Steering Committee Summary**

May 17th, 2022

### Key Discussion Points:

- Welcome, review agenda
- Existing Conditions
- Review and Re-Affirm Partnership Core Principles
- Next Steps
- Closing Comments and Adjourn

Summary: The May Steering Committee kicked off with comments by Ed Fisher reviewing the 2021 Campus Plan approval process and the departure of the community co-chair for the Steering Committee. Neighbors and AU proceeded to discuss implementing procedures moving forward for resolving an impasse between the two parties. Next, Don Edwards, of Justice and Sustainability Associates walked the group through the core principles outlined in the Partnership's terms of reference, taking questions on clarifying Partnership roles moving forward. The meeting closed out with a discussion of next steps and future meeting dates.
