

American University Neighborhood Partnership Transportation and Parking Working Group Summary

May 22nd, 2023

Key Discussion Points:

- Welcome, review agenda and introductions
- Update on Conversations with DDOT on Meltzer Center/SCAN Project
- Updates on Sidewalk Expansions Projects
- Neighborhood Parking Updates
- Updates on Uber/Lyft Pick-Up/Drop Off Zones
- New WMATA Bus Routes
- Closing Comments
- Adjourn

Summary: After a welcome by the co-chairs, Cory Peterson reviewed key information relating to transportation needs around the planned Meltzer Center for Athletic Performance, taking questions from neighbors. Next, Josh Finver gave quick updates on several transportation related items, including DDOT's planned sidewalk expansion near AU, Uber and Lyft drop off instructions, a new partnership with Spin scooters and AU, and updated WMATA bus routes near the university. After closing comments from the co-chairs the group looked ahead at possible dates for August or September for their next meeting.
