

**American University Neighborhood Partnership
Facilities Planning Working Group Summary**
May 28, 2020

Key Discussion Points:

- Review of Updates to Potential Development Sites

Summary: After welcoming remarks from the co-chairs, AU presented updates to the potential development sites. These proposed updates reflected adjustments to residential sites and bed count according to feedback from residents and community members. Neighbor working group members provided commentary on the proposed updates. The working group closed with suggestions from neighbor members on AU communications about the campus plan and a discussion clarifying upcoming meetings related to the 2021 Campus Plan.
