

American University Neighborhood Partnership Transportation and Parking Working Group Summary

Nov. 19, 2020

Key Discussion Points:

- Campus Plan Timeline
- Updates to TDM and CTR
- Comments and Questions

Summary: After opening remarks from co-chairs and reviewing the agenda, the Transportation and Parking Working Group reported on the progress of the AU Campus Plan. Members confirmed that the Plan is on schedule to be filed with the Zoning Commission. The discussion shifted to review key updates to the Transportation Demand Management (TDM) and Comprehensive Transportation Review (CTR). Comments and questions primarily centered on traffic safety, Transportation Network Company (TNC) pick-up and drop-off locations, and the Good Neighbor Parking Policy. The meeting closed by acknowledging the collaborative work of the AU Neighborhood Partnership and a reminder that the next meeting will determine the next co-chairs of the working group.
