

American University Neighborhood Partnership Transportation and Parking Working Group Summary

Jan 28, 2021

Key Discussion Points:

- CTR Update
- Next Steps
- Comments and Questions

Summary: After reviewing the agenda, the Transportation and Parking Working Group turned to examining DDOT's feedback on AU's CTR proposal. Nelson/Nygaard reviewed DDOT's initial comments as well as AU's responses on topics including bicycle parking and infrastructure and parking utilization, giving space for questions from neighbors on the process. The meeting closed out by reviewing the online portal for neighbors to submit letters of support for the 2021 Campus Plan.
