

Resolution in Honor of Mary L. Clark
American University Faculty Senate
February 6, 2019

Whereas the Faculty Senate commends Mary L. Clark for her leadership as Interim Provost of American University.

Whereas building on her work as Dean of Academic Affairs, she effectively provided oversight of new phases of the AU Core and AUx, contributed to major fundraising developments in SPA and the sciences, advanced AU's plan for Inclusive Excellence, and was an indispensable force in the development of the new "Change Makers for a Changing World" Strategic Plan.

Whereas more than these accomplishments, Mary has modeled diligence, civility, cheerfulness, grace, and wisdom throughout her leadership.

Whereas American University is a better place to study, teach, and work because of her.
