

AMERICAN UNIVERSITY

WASHINGTON, D.C.

PUBLIC SAFETY

August 30, 2017

To: Campus Community

From: Phil Morse, Assistant Vice President, AU Police and Emergency Management  
Dan Nichols, Assistant Vice President, Risk, Safety, and Transportation Programs

Subject: AU Campus Safety and Security Resources Notification

American University considers the safety and security of its students, faculty, staff, and visitors its highest priority. To ensure an atmosphere that fosters and promotes the University's educational mission, AU is committed to keeping our community safe and secure from possible threats and criminal activity. A safe community depends on the cooperation, involvement and awareness of everyone on campus.

Our respective offices have initiated new programs designed to enable our community to be more informed, aware and active in the AU's safety and security methods and processes. We also continue to update and refine existing programs that have proven successful over time. This notification, which is issued periodically, details the full scope of AU resources provided to ensure your protection and preparedness.

In the following pages, you will find a comprehensive listing of programs, policies, and procedures that cover numerous safety and security issues affecting our community. For ease of reference, we have broken them down by topic; Communicate, Learn, Prepare, Prevent, and Respond.

AU has committed significant resources to ensure your safety and security. Awareness and preparedness require the active involvement of each member of our community; and it begins with you. Please take a few minutes to review the information and open the attached links to learn more about each topic.

## AU Campus Safety and Security Resources

Communicate, Learn, Prepare, Prevent, Respond

### Communicate

#### **On Campus**

##### *Emergency & Non-Emergency Contact Information*

On-Campus Police, Medical and Fire Emergencies: (202) 885-3636

On-Campus Non-Emergencies: (202) 885-2527

##### *AU Alerts*

AU Alerts communicates warnings and instructions during critical incidents such as natural disasters, fires, gas leaks and active shooter incidents. Alerts are delivered via text message, e-mail, social media, indoor AlertUs beacons, AlertUs computer software and outdoor speakers. AU students, faculty and staff are automatically subscribed to AU Alerts. To verify your subscription and update and manage your AU Alerts contact information, log-in with your AU credentials at [www.getrave.com](http://www.getrave.com) or go to the AU Emergency Preparedness website at [www.american.edu/emergency](http://www.american.edu/emergency).

##### *Rave Guardian App*

Rave Guardian, available for free on the Apple App Store and Google Play, transforms your Android or iPhone into a personal safety device. It provides a mobile panic button that sends your location and identifying information to AU Police. A safety timer notifies your selected guardians and AU Police when it is not deactivated. Anonymous crime tips or photographs can be sent to AU Police via the app. Your custom profile notifies AU Police of your emergency contacts, vehicles, pets and medical information. Download the [iPhone](#) or [Android](#) version and log-in with your AU credentials.

##### *Blue Light Emergency Telephones*

Located across campus, blue light emergency telephones call AU Police when activated.

##### *Anonymous Tips*

Anonymous tips about suspicious activity can be reported [online](#) to AU Police.

##### *Twitter*

Follow AU Police [@AUPublicSafety](#) and AU Alerts [@AUAlerts](#)

### *Shuttle Buses*

All AU shuttle buses have been equipped with AUPD police radios that allows for emergency communication to the Police Communications Center.

## **Off Campus**

### *City Alerts*

Sign up for emergency alerts issued by the District of Columbia, including the D.C. Metropolitan Police, at [www.HSEMA.DC.Gov](http://www.HSEMA.DC.Gov).

### *Twitter*

Follow the D.C. Metropolitan Police [www.twitter.com/DCPoliceDept](http://www.twitter.com/DCPoliceDept)

## **Learn**

### *Self-Defense Training*

Free self-defense training courses are offered each semester by trained AU Police instructors. Courses are available for female, gender neutral and male audiences. Sign-up [online](#) or e-mail [PublicSafetySelfDefense@american.edu](mailto:PublicSafetySelfDefense@american.edu) for more information.

### *Crime Prevention Presentations*

Customized crime prevention presentations are available to student, staff and faculty groups, organizations and offices. E-mail [dps@american.edu](mailto:dps@american.edu) to set-up a presentation.

### *Crime Alerts, Daily Crime Log and Annual Security Report*

In compliance with the Jeanne Clery Act, information about campus safety is posted [online](#) and available at the Department of Public Safety. Recent crime alerts and the daily crime log provide information about recent incidents on and near campus. The Annual Security Report provides crime statistics and information on campus safety services.

## **Prepare**

### *Active Shooter Preparedness*

To be prepared for an active shooter incident on campus, remember “Run, Hide, Fight” as your three options. [Review training videos](#) from the U.S. Department of Homeland Security, Ready Houston and the Federal Emergency Management Agency.

## *Campus Emergency Plans*

AU Emergency Preparedness has developed plans and procedures for critical incidents such as tornados, earthquakes, criminal incidents. Review those plans at [www.american.edu/emergency](http://www.american.edu/emergency).

## **Prevent**

### *Bicycle Registration*

Register your bicycle with AU Police for free [online](#) and receive a decal. Registration assists in the recovery of stolen bicycles.

### *Safe Ride to Campus*

The [Safe Ride to Campus program](#) provides students with a taxi ride back to campus, billed to your student account. Call (202) 885-2527 to request the service.

### *Safety Escorts*

AU Police Officers provide walking and vehicular escorts to and from campus property for all community members. Call (202) 885-2527 to request an escort.

### *Physical Security*

Access control, alarm monitoring and video surveillance provide additional security on campus through 24/7 monitoring. The physical system systems on campus have been significantly expanded and upgraded in the past several years.

## **Respond**

### *Police, Medical and Fire Response*

AU Police provides 24/7 response on all campus properties for police, medical, and fire emergencies. AU police officers are commissioned by the Metropolitan Police of the District of Columbia and are fully empowered to enforce the law, investigate criminal acts, and make arrests on campus and at all AU owned and leased properties within the city. In addition, AU police may also place student conduct charges for violations both on and off campus. AU Police coordinates emergency response with external agencies like the D.C. Fire and Emergency Medical Services Department.

### *Investigation*

AU Police Officers and Investigators investigate all crimes that occur on campus. In cooperation with the U.S. Attorney's Office and D.C. Office of Attorney General, we obtain arrest warrants upon completion of a criminal investigation. Certain crimes require coordination with the Metropolitan Police of the District of Columbia.

### *Victim Assistance*

Victims of any crime are provided care and assistance throughout the criminal justice process. AU Police coordinates counseling resources through Campus Life, Counseling Center and the Wellness Center, as well as community resources. We provide information and guidance on obtaining protective orders, including transportation to court. Personalized safety plans and self-defense courses are available to crime victims. Call (202) 885-2527 to request victim assistance services from AU Police.

### *AED – Automatic External Defibrillators*

The AU Public Access AED Program provides Automatic External Defibrillators housed in specially marked and strategically located cabinets in key buildings around the campus. Some buildings have multiple AEDs, but at least one is located near the building's main entrance. AEDs can be used by any member of the public to provide emergency assistance to someone suffering from cardiac arrest.
