

2016-2017 Verification of Untaxed Income Dependent Student

Your 2016-2017 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called **verification**. To verify that you provided correct information, the AU Financial Aid Office will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the AU Financial Aid Office. A counselor will contact you if any additional information is needed. Verification cannot be completed until all required documentation has been received by the AU Financial Aid Office.
