

## 2016-2017 Verification of SNAP Benefits Received Dependent Student

Your 2016-2017 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called **verification**. To verify that you provided correct information, the AU Financial Aid Office will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the AU Financial Aid Office. A counselor will contact you if any additional information is needed. Verification cannot be completed until all required documentation has been received by the AU Financial Aid Office.

You indicated on your FAFSA that your family received benefits through the Supplemental Nutrition Assistance Program or SNAP (formerly known as food stamps) during the 2014 or 2015 calendar years. SNAP may be known by another name in some states. For assistance in determining the name used in a state, please call 1-800-4FED-AID (1-800-433-3242). Please complete the information below to verify the SNAP benefits received.

No SNAP benefits were received during the 2014 or 2015 calendar year.

Yes, I certify that a member of the parents' household received benefits from the SNAP program sometime during the 2014 or 2015 calendar years.

The parent's household includes:

- the student, and the parents (including stepparent) even if the student does not live with the parents
- the parents' other children if the parents will provide more than half of their support from July 1, 2016, through June 30, 2017, or if other children would be required to provide parental information if they were completing a FAFSA for 2016-2017. Include children who meet either of these standards even if the children do not live with the parents.
- other people if they now live with the parents and parents provide more than half of their support and will continue to provide more than half of their support through June 30, 2017.

Note: If we have reason to believe that the information regarding the receipt of SNAP benefits is inaccurate, we may require documentation from the agency that issued the SNAP benefits in 2014 or 2015.
