PROGRAM OVERVIEW

American University's Kogod School of Business Master of Science in Accounting (MSA) Program prepares graduates for successful careers through its innovative curriculum, award-winning faculty, and outstanding career development services.

The MSA is perfect for those with or without an accounting background interested in advancing or changing careers. Graduates go on to work for prestigious accounting firms, major corporations, nonprofits, the government, and are prepared to sit for the CPA exam. The Kogod School of Business is a proud partner of the Association of Chartered Certified Accountants (ACCA) USA. Students completing their MSA may qualify for six exam exemptions toward completing their ACCA certification.
