

American University's

MSⁱⁿ ANALYTICS

33 credits

12-24 months

STEM certified

NAVIGATE YOUR SUCCESS

Like you, our MS in analytics students are in search of lucrative—and fulfilling—careers. We help make this dream a reality. Our analytics students graduate with jobs lined up at leading organizations, including Grant Thornton and EY. And, within three months of graduation, 100% are employed.

Analytics Practicum

Bridge theory to practice by studying real-world data and working with a DC-area company.

Functional Specializations

Customize your degree by choosing a focus area, such as marketing, biostatistics or IT consulting.

Certified

STEM Program

Study in a program that's known for its excellence in some of today's most in-demand fields.

Kogod's MS in analytics program is 33 credit hours, and can be completed in one to two years, full-time. Tuition is \$1,708 per credit hour.
