

American University's

MS_{in} TAXATION

30 credits

12-24 months

TOP 10^{*}
Tax Program

TURN YOUR ASPIRATIONS INTO OUTCOMES

In American University's MS in taxation program—ranked top ten nationwide by Tax Talent—you will gain the experience you need to turn aspirations into outcomes. You will study international taxation, state and local taxation, and tax planning. You will work with our Tax Policy Center, getting an inside-look into the tax policy world. And, most importantly, you will develop the skills you need to realize the career you want.

Kogod Tax Policy Center

Gain an in-depth look into tax policy through workshops, events and research reports.

Experience-Focused

Go on site visits, listen to guest speakers and network at events.

World Class Faculty

Study with seasoned practitioners, many of whom are employed at leading national firms.

Kogod's MS in taxation program is 30 graduate credit hours, and can be completed within two years, full-time. Tuition is \$1,708 per credit hour.
