I. SCOPE

The American University (AU) has partnered with the Washington Metropolitan Area Transit Authority (WMATA) to provide custom-branded University Pass (U•Pass) transit cards for use by AU students throughout the academic year. For the purposes of this University policy and its associated program, U•Pass is defined as a WMATA transit Smartrip™ pass that permits eligible full time students to unlimited rides on trains and buses operated by WMATA during all hours of operation. The U•Pass cannot be used on Metro-Access paratransit services or regional partner services (e.g., ART, CUE, DASH, D.C. Circulator, Fairfax Connector, Loudoun Commuter Bus, PRTC, Ride On, Ride On Express, The Bus and MTA, etc.).

This University policy and its associated program apply to all undergraduate, graduate and law students with eligible full time enrollment status. Eligible full time enrollment status is defined as an undergraduate, graduate or law student at AU that has registered for the minimum number of credit hours to classify him/her in full time status as per AU’s written academic policies, and is otherwise required to pay AU’s mandatory student fees each semester.

For the purposes of this policy and the U•Pass Program the following students are excluded from eligibility and participation in the program:

- distance (strictly on-line) learning students;
- MetroAccess;
- study abroad students for the semester abroad; and
- part-time students.

This policy stipulates requirements in addition to those of other established programs and codes of conduct. Responsibility and authority for the enforcement of this policy has been delegated to the Office of Finance and Treasurer.
