

Assessment Report Template

Use this template as a way to organize your assessment information before entering it into Tracdat at <https://american.tracdat.com>.
Tracdat is American University's software for collecting and organizing program learning outcomes and results of assessment efforts.

Program name:

Learning Outcome Assessed	Assessment Method*	Results **	Uses of Results ***
1.			
2.			
3.			
4.			

*Please be specific as it relates to the learning outcome. If you used an exam were specific questions used?

** What did you learn about the specific learning outcome as a result of your assessment?

***How are you using assessment findings to improve your program? Please provide examples of changes you have made or are making.
