-  Vacant for Remodeling

Tenley Campus
4000 Brandywine Street
4200 Wisconsin Avenue
4620 Wisconsin Avenue
METRO

In instances where the structural components of an existing building prevent physical access by persons with disabilities, AU meets federal obligations of "programmatic" access by identifying alternate methods of making the programs offered in those facilities accessible.

For information, assistance or if you encounter any barrier, please call the Disability Support Services Office on 202-885-3315 or e-mail dss@american.edu
