Hello Ryan

Reapplication is right around the corner! This is your chance to apply to live on-campus next year. As a current student, you have first access to select your Home at AU! On February 1, you'll have the chance to go into the AU Housing Portal and start the reapplication process!

Community Preference

February 1

The application opens to all current students. You will select your Community Preference. This is used for determining where you will live and with whom you can create a roommate match. Your Specialty Housing options include Black Affinity Housing, Honors, Community Based Research Scholars (CBRS), KSB: Venturous, and SIS: Interculturalist. All other students can select Sophomore or Upperclass Housing.
Roommate Matching

March 1

Roommate Matching opens on March 1. You will need to sign the HLA and you will get to roommate match with other students in your community. By roommate matching you are granting your group the ability to select a room on your behalf.

Room Selection

Starting March 14

Starting March 14 and continuing through March 25, you will select your own room through in the AU Housing Portal. Your options will be based upon your approved community. Each student will have a personalized Room Selection Timeslot. If you completed Roommate Matching, the roommate with the earliest timeslot can select a room for your group.
