2. Large purchases (such as computers, furniture, etc.)

include all utilities except telephone service. If utilities are not included, additional costs each month should be anticipated. Normally, students must also purchase or rent furnishings, such as a television, furniture, and cooking utensils. In general, it is not possible to locate off-campus housing by mail or phone. Students should also budget for transportation costs, which vary greatly depending on distance from the university and on preferred type of public or private transportation. For more information, visit <http://www.american.edu/ocl/housing/index.cfm>.

**ON-CAMPUS DINING:** Estimated meal expenses are based on a variety of on-campus "meal plan" options, which range in costs per semester. The University Dining Services will be closed during the Thanksgiving break, summer break, and spring break. Students should plan to make other dining arrangements during these times. Therefore, students should plan to budget additional costs during these periods for meal expenses.

**HEALTH INSURANCE:** All full-time international students (except those holding an A, G, or H visa) are required to purchase health insurance. International students are automatically enrolled and billed for the university-sponsored insurance plan. Students may waive this fee if proof of a comparable plan is provided to the Health Center. Students on an F-1 or J-1 visa must provide health insurance for their dependents as well. Please refer to the Student Health Center web site for current dependent costs at <http://www.american.edu/ocl/healthcenter/About-Student-Health-Insurance-Plan.cfm>. Students who begin their studies in the summer semester must purchase separate insurance for the summer term.

**DISABLED STUDENT EXPENSES:** Students with disabilities must anticipate additional annual expenses. Please contact The Academic Support and Access Center (ASAC) at <https://www.american.edu/ocl/asac/> for more information.
