The Academic Support Center is open to all students at the university. As freshmen and transfer students transition to AU, the ASC offers a variety of services that can be helpful: workshops on study skills, time management, and writing topics; individual appointments with an academic counselor; Writing Lab appointments; tutor referrals; and materials online and in the office.

In addition, the ASC works with students with learning disabilities and ADHD in arranging accommodations and transitioning to the academic demands at AU.

To learn more, go to www.american.edu/asc.

To schedule an appointment, contact the ASC at 202-885-3360.

To access the fall 2012 workshop schedule and study skills tools, go to http://www.american.edu/ocl/asc/Skills-and-Workshops-for-Academic-Success-Study-Skills.cfm
