Comment [AU1]: Mary House is a local nonprofit organization which works with immigrant and refugee families in the DC area. It was founded by Bill and Sharon Murphy in 1981 in order to help homeless families on a more personal level. One family at a time grew into serving many families in ways including housing and other support services (clothing, counseling, after school program and a summer camp). Mary House is open to all and many of the families are from foreign countries including El Salvador, Mexico, Guatemala, Columbia, Bosnia, and Iraq. Volunteering with us would mean working with the after school portion of our program. We would want someone who could come in at least once or twice a week, for at least 3 months. They would help us with tutoring the children who are kindergarten through 6th grade. All of the children speak English, and are either in a French or Spanish program at their school (Elsie Stokes, located about 10 minutes from the after school location. This is just across the Catholic University/Brookland metro stop). The after school program lasts from 3:00 to about 6:00.
