HIV and AIDS Organizations

AIDS Institute

The AIDS Institute (TAI) began as a grass roots community advocacy effort in the late 1980s. In 1992, this advocacy network became incorporated as Florida AIDS Action, a nonprofit organization. Over the years, TAI expanded its vision to become a leading national public policy research, advocacy, and education agency with offices in Tampa, and Washington, DC. The AIDS Institute remains focused on HIV/AIDS while incorporating work on related healthcare issues such as Hepatitis, as well as other infectious and chronic diseases.
