Treasure Hunt

You have until the end of October to complete all 8 tasks.

You must complete and date all tasks or you will be disqualified.

There is no order in which you must do each task.

1. Follow us on @ASKAUOIT twitter. Enter your twitter name here: _____

2. Write down what security means to you in 6 words. Take a selfie with your note and tag the picture @ASKAUOIT !

3. List two types of scams from the current Cyber Security Awareness tip. Locate it online at www.american.edu/security and click on the "Unlock the Cyber Tip" image.

   Scam #1:

   Scam #2:

4. Type in help.american.edu. Look up "Malware". Use one of the articles to find out how you can prevent your laptop from getting a virus. Name of article used: _____

5. Take a picture of your laptop with a thumbs up using AU's Virtual Private Network (VPN). Install the VPN it's FREE. Go to help.american.edu and search "VPN" for an explanation of what it is and "how to" install it on your computer.

6. Visit the Technology Support Desk (TSD) on the first floor of the library to find out what services they provide. List 2 services. *Hint: they can help with VPN installation.

   #1.

   #2.

7. Visit AU's Kogod Cybersecurity Governance Center online and list one way you can get involved even if you don't have a cybersecurity major.

   #1.

Disclaimer: *OIT staff, consultants, contractors or families of OIT staff are not eligible to participate*

Finished? Submit completed checklist by emailing HelpDesk@american.edu with the Subject line: Treasure Hunt. Or drop off completed task list at the Technology Support Desk(TSD) in the library basement. Remember to include your name and date submitted.
