I. SCOPE

This policy applies to activities and programs taking place on American University's campus, or at other locations that are under the authority and direction of the University, in which Minors will be physically present and participating. Camps (athletic, computer, etc.), laboratories and workshops intended for Minors and similar activities will fall within the scope of this Policy. This Policy applies to all programs and activities whether they are limited to daily activities or also involve the housing of Minors in residence halls, with the following exceptions: (1) undergraduate and graduate academic programs in which enrolled undergraduate students of American University (AU) or another university participating in such activities or programs, are the only Minors participating, (2) research programs subject to the review and approval of the Institutional Review Board (IRB), (3) undergraduate admissions and recruitment events hosted and supervised by the Office of Enrollment; and (4) ongoing programs that may be designated from time to time by the appropriate Vice President or Provost in advance and in writing as exempted from this Policy.

II. POLICY STATEMENT

American University has an obligation to its students, staff, faculty, and visitors to conduct its operations and maintain its facilities in a manner consistent with its mission as an institution of higher education. While there may be occasions when brief visits by children under the age of eighteen (18) to faculty, staff, and students on campus may be necessary and such visits are subject to the same conditions as any other visitor to the University, **unescorted or unsupervised** children (i.e., a person who is not yet 18 years old at the time of a contact) are not permitted on University premises, except as provided for in this Policy.

III. DEFINITIONS

Minor – for purposes of this Policy any person under the age of eighteen (18) including, but not limited to, those persons who are also referred to herein as “children.”

Works with Minors – for purposes of this Policy means all activities identified in this Policy and in which an adult, other than an authorized AU employee in the case of an enrolled AU student who is a Minor or a parent or legal guardian of the Minor, could be or has the potential to be alone with the Minor.

Authorized Adult – for purposes of this Policy means a parent, legal guardian or adult who has complied with the requirements to be present with Minors under this Policy and who is responsible for either escorting or supervising the Minor(s) while on campus or while participating in any activities identified in this Policy.

IV. POLICY

In order to ensure that the essential functioning of the University is not impaired and that the safety of Minors is provided for, it is necessary to adhere to certain conditions governing the presence of Minors on the University’s campus, as well as those participating in off-campus AU-sponsored programs.

Requirements

A. All Minors:

- All Minors not registered for classes who are otherwise participating in a University program or a program taking place on University property must be supervised by an Authorized Adult(s) at all times while they are participating in that program.
- All supervised Minors participating in a University program or a program taking place on University property are permitted in the general use facilities (athletic fields, public spaces, academic buildings, food services areas, etc.) but may be restricted from certain areas of the facilities or from utilizing certain equipment in the University’s sole discretion.
- Minors are permitted at events and venues open to the public. However, the University reserves the right to determine, at its sole discretion, whether selected events or venues are appropriate for unescorted or unsupervised Minors.

B. Children Under Age Eighteen (18)

- All children under the age of 18 on the AU campus must be escorted or supervised at all times by an Authorized Adult. It is the responsibility of the parents, legal guardians or other Authorized Adult to make appropriate off-campus arrangements if these children cannot be accompanied at all times while on campus. **(Please note exceptions as defined in Section I: Scope)**
- Minors, not participating in AU’s sponsored programs or a program taking place on University property, are prohibited from laboratories and other areas where significant potential safety hazards and liabilities may exist and

where strict safety precautions are required. In addition, unsupervised or unescorted Minors are prohibited from entering areas that might include, but are not limited to, storage rooms, equipment rooms and certain athletic facilities such as training rooms, courts, swimming pools and playing fields.

- Minors are not allowed in classrooms while classes are in session unless permission is granted by the faculty member having authorized access to the classroom.

Policy Implementation

A. Program Registration

Departmental units shall, prior to the beginning of the University's fiscal year for ongoing programs and activities with participating Minors, inform the Assistant VP of Risk Management & Safety Services of the details of the program or activity by completing an Activity Department Approval Form. Completed forms need to be approved by the appropriate Vice President or Director prior to being sent to the AVP of Risk Management and Safety Services. **(Please note exceptions as defined in Section I: Scope)**

Any requests for clarification as to whether a particular program or activity is subject to this Policy, or a request for a waiver to this Policy, should also be sent to the AVP of Risk Management & Safety Services. Information provided shall include, at a minimum, the AU person in charge of the program or activity; and the administrative requirements associated with the program or activity, including but not limited to waivers and permission slips to be obtained from the parents/guardians of participating Minors and medical emergency forms.

B. Background checks

A successful background check will be required of each adult prior to his or her direct participation with Minors in a program or activity covered by this Policy and at least once every four (4) years thereafter. Background checks will be conducted by an outside contractor at the request of the Administrative Coordinator in the Office of Finance and Treasurer. Background Authorization and Disclosure Forms are posted at the Office of Risk Management website.

It is the responsibility of the person in charge of the program or activity to ensure that each participating adult has submitted the required background check request form and has subsequently received clearance to participate, prior to participating in a program or activity. The Administrative Coordinator in the Office of Finance and Treasurer will maintain a roster of individuals who have been cleared to participate and the dates on which a new background check will be required.

Programs (camps, conferences, workshops, etc.) involving Minors that are held in University facilities and/or on University property through a facilities rental agreement, lease, or similar, will be required to conduct background checks by virtue

of language contained in the contract documents and provide proof that required check were conducted, if requested to do so by University program staff.

The background check will be limited to criminal offenses, including, but not limited to, child abuse, for which an individual has been convicted, pled guilty to a felony or misdemeanor, or where such charges are currently pending. The University may accept successful documented background clearances from the governmental agencies (e.g., School Districts) that have been completed within four (4) years from the start date of employment.

A decision to not permit an individual to participate in a program or activity covered by this Policy based on the results of a background check will be made by the Assistant VP of Risk Management & Safety Services. The results of background checks conducted under this Policy will be used only for the purposes of this Policy, except that AU reserves the right to take appropriate action with respect to employees who may have falsified or failed to disclose information material to their employment on employment applications where that information is uncovered as a result of the background check, including and up to immediate termination of employment. Copies of background check reports will be retained in the Office of Finance and Treasurer.

C. Allegation of Inappropriate Conduct

Adults participating in programs and activities covered by this Policy shall:

- Immediately report any violation of the Conduct Requirements of this Policy to the person in charge of the program or activity and to the Senior Director of the Department of Public Safety and emergency responders as may be appropriate under the circumstances.
- Assure the safety of Minors participating in programs and activities covered by this Policy, irrespective of any other limitation or requirement, including removal of Minors from dangerous or potentially dangerous situations. In such case, the Senior Director of the Department of Public Safety must be notified immediately.
- Discontinue any further participation in programs and activities covered by this Policy when an allegation of inappropriate conduct has been made against him or her, until such allegation has been satisfactorily resolved.
