I. Financial Information (Part 1)

REMINDER: Please make sure to use the TAB key instead of the ENTER key to navigate from field to field. The ENTER key will cause the data to be submitted (i.e., clicking on the Update button).

Report the same data for Educational and General (E&G) expenses on the Institutional Profile that your institution reports to the Integrated Postsecondary Higher Education Data Systems (IPEDS). The IPEDS Part and Line numbers are noted for each data element listed.

Verify the beginning and ending date for your institution's fiscal year. The default dates are 5/1/2011 through 4/30/2012 (the most recent year for which you would have audited financial statements). If your institution uses different dates, please change the default dates accordingly. For example, enter 1/1/2012 through 12/31/2012.

Report financial data in whole dollars. Round cents to the nearest whole dollar. For example, enter 124, not 123.65.

Do not enter data in thousands of dollars. For example, enter 1,250,000, not 1,250.

Enter negative numbers using a minus sign. For example, enter -100,000, not (100,000).

Complete every field for which you have financial data. Fields marked with an asterisk are required. You will not be able to "lock down" your data and submit the Institutional Profile if these fields are not completed.

Shaded information cannot be modified online. * denotes a required field.
